PRESENTS

Complete Season 1!

For the very first time; the entire first season together in one bumper DVD pack

4 discs....9 hours...24 episodes!

RELEASED ON DVD 18th OCTOBER 2010

From a fun-loving group of furry subterranean creatures came: millions of fans, 100 original songs, 96 total episodes, 4 seasons...but only one first season collection. Dance your cares away with the complete first season of Fraggles, featuring all 24 episodes! Filled with all the Fraggley fun

you've been waiting for. Share in the music and memories that have kept fans rockin' for more than 25 years!

Originally created in 1983 by the great Jim Henson (*The Muppets*, *Sesame Street*); Boober, Sprocket and the gang have become some of the best-loved children characters of all time. The show was seen in 98 countries and secured several prestigious awards, including three Cable ACE Awards and five International Emmys. How better to revisit your childhood and pass on the fun to a new generation of Fraggles than with the season that started it all!

So save your worries for another day and experience over 9 hours of frag-tastic fun in the ultimate Fraggles Rock collection.
