

New TV series "Surviving Time Island with VIPO & Friends" is now complete!

After more than three years of production the 2nd TV series "Surviving Time Island with VIPO & Friends" has now been completed! The new 3D animation program again consists of 26 episodes of 11 minutes (plus credits) and was produced in 16:9 format, High Definition and 5.1 surround sound of superb quality. Several new characters are introduced on Time Island: five different types of funny, green "Goggs", their mean leader Ogg, the cute young Gogg-outcast Sniffles, as well as the wise Time Master and four Season Rulers. The material has already been delivered to first clients and the new series will go on air in several countries in the near future.
